

Organisation	Initiative	Level of funding (£)	Purpose
Goldthorpe Development Group	Big Clean UP	2,000.00	Keeping the environment on 9 streets clean and tidy and free from vandalism and anti social behaviour and fly tipping. Improving the look of the area and giving ownership back to residents.
REMEDI (Restorative Services)	Barnsley Community Action Project	7,372.00	Provide a meaningful and community beneficial activity for young people involved in low level offending/anti social behaviour to more positively fill their leisure time, to challenge their behaviour and to signpost them into sources of support and/or other positive activities. The project will also develop young people's understanding of - consequences, empathy and community.
Grimethorpe Activity Zone (GAZ)	NEET Buster Project	6,958.00	Our project aims to reduce the numbers of YP who are NEET (not in employment, education or employment). We will engage them, develop employability skills and provide careers advice, and advocacy to help them move into employment, college or training. Then monitor their progress to ensure their move is successful.
Yorkshire Housing HIA (Stay Put)	Be Safe, Feel Safe	15,432.38	Provide vulnerable people across Barnsley, Rotherham and Sheffield with target hardening measures to improve the safety of their homes. Clients will be identified through our on going caseload for Handyperson and advice services, alongside referrals from our partners within the Public/Private sector and Not for Profit Organisations.
Doncaster Women's Aid (DWA)	Tackling Teen Abuse and Repeat Victimisation	12,000.00	Employ a dedicated Trainer to provide awareness training, advice, support and education aimed at reducing numbers of repeat victims of Domestic Violence and to address the issue of teen abuse. Targeted support will increase chances of escaping harm, help re-build lives, promote freedom from abuse, encourage active and healthier lifestyles.
Fundamentals Basketball Club	RESPECT - Basketball Changing Lives	11,520.00	The project will provide an alternative to antisocial behaviour in 'hot spot' areas of Doncaster. We will use the power of sport to deter ASB and progress current and potential offenders into positive activities that cultivate feelings of self worth and value in their local community.
Mexborough Miners' Welfare Institute & Recreation Ground	Mexborough Activities Sports Trips Engagement Recognition Scheme (MASTERS)	13,000.00	The MASTERS project will provide a diverse range of sporting, training and youth outreach activities across Mexborough targeted at local young people at most risk of committing crime and anti-social behaviour. Activities will be delivered in a multi-agency partnership adopting a reward and recognition approach.
Edlington Community Organisation	Community Safety	13,000.00	Provide SmartWater kits that will be distributed to households throughout the South/West of Doncaster to people who through their own financial capability would be unable to afford these items. Key objective is to secure sustainable reductions in household burglaries in Edlington, Warmsworth, Mexborough, Conisbrough, Denaby, Tickhill, Rossington, Bawtry and Braithwell.
The Monday Club	Summer Activities	600.00	To keep the children off the streets and encourage intergenerational practice, thus in turn helping to reduce the fear of crime and anti social behaviour.

Apna Haq	creating confidence in tackling child sexual exploitation within Asian/BME communities.	15,000.00	Undertake group work within community settings/colleges/schools to educate participants to realities of cse within BME communities, challenging the associated women blaming make excusing attitudes that are leading to the silence of victims on these issues. Production of posters that challenge these attitudes, plus set up related facebook account .
Golddigger Trust	CSE Prevention and Early Intervention	20,000.00	To reduce significant vulnerability to CSE and related behaviours through a targeted prevention and early intervention programme of creative small group courses and one-to-one mentoring for young women aged 11-18, and a wider preventative education programme for girls and boys.
Haven House Project	No2DA	10,083.90	To provide specialist structured group interventions for child-witnesses of domestic abuse to create social, emotional and behavioural skills to promote resiliency. To provide school professionals with information and resources to better prepare them to address issues of abuse with C&YP in schools.

Heeley City Farm	Catching them young	10,000.00	Building on the success of our 2014-15 Police Commissioner funded pilot programme we wish to engage more, especially vulnerable, young people from a wider age range in practical outdoor activities at Heeley City Farm, enhancing their education and employment opportunities, encouraging young people away from crime and increasing community volunteering amongst young people
MASKK (Manor)	Transforming Lives, Raising Aspirations	10,000.00	Provide targeted diversionary activities across the Manor. Creating Junior Clubs with positive role models that include Playwork, sports & games and opportunities to enjoy & achieve. In partnership with local PCSOs and other local charities we will reduce antisocial behaviour, prevent reoffending, protect most vulnerable people and improve visible policing.
Sheffield Futures (Wybourn)	Manor/Wybourn centre based sessions	10,000.00	To reduce anti-social behaviour, low level offending and support young people in the Manor area into employment, through Community Youth Workers. The project will enable us to develop stable centre-based delivery through which to build positive relationships with young people aged 12-18 and better respond to their needs and vulnerabilities.
Darnall Well Being	One Darnall	12,500.00	The purpose of the project is to bring vulnerable members of the community together and increase community cohesion in Darnall, particularly in terms of integrating Eastern European migrants into existing communities. It builds on the development and success of a number of One Darnall initiatives that were successful last year.
Zest	Bright Futures	15,000.00	To increase the number and range of diversionary activities available for the young people of Upperthorpe, Netherthorpe and Langsett and increase opportunities for positive engagement between young people leading to greater community cohesion. The project will create more active, informed young people, raising aspirations, self esteem and promote positive behaviours.
Brathay Trust	Sheffield CSE Project	13,084.00	The project is designed to reduce the sexual exploitation of young people and improve outcomes for those being groomed or exploited. We will identify those young people most at risk and deliver targeted interventions to support them to stay safe.
Somali Community and Cultural School	Developing youth skills to restore hope.	5,000.00	Developing and motivating the inspiration of the previous progress and outcomes gained during the last Grant awarded to our organisation by south Yorkshire Police Commissioner in order to restore hope and reduce the vulnerability of individuals with in the community of Sheffield, by tackling crime, substance misuse and anti-social behaviour.
Sheffield City Boxing Club	Sheffield City Boxing Club	4,494.00	The aim of the boxing club is to foster and promote amateur boxing at all levels, providing recreation, competition, fitness, self-discipline and self-confidence
Darnall Forum	Supporting South Asian Women in Tinsley & Darnall	5,000.00	We will build BME women's confidence to make friends outside the home, assert their right to make decisions, tell their story, resist controlling behaviour, support one another 6) recognise and report abuse. Most will just need empowering to say 'enough is enough', share experiences with new peer support networks and access external support. We will signpost victims to specialist support where they are trapped in dangerous/violent abuse.
Young Women's Housing Project	'Protect Yourself'	8,500.00	To provide a programme of one-to-one and group-work sessions using accredited Protective Behaviours & Safe-Choices methodologies. A preventative skills based approach to personal-safety to reduce the likelihood of becoming victims or repeat victims of sexual abuse/exploitation/violence. Expert ISVA awareness raising sessions; Support and interventions to help victims during CJS processes.

South Yorkshire Sport	Sport FX	5,000.00	This project is designed to effectively engage young people in targeted communities (i.e. where there are high levels of reported ASB and low level crime) using sport as the vehicle to support community cohesion, provide diversionary activity, creating young leadership opportunities and developing significant positive relationships between South Yorkshire Police, young people and their communities.
Street Pastors	South Yorkshire Street Pastors	8,000.00	Street Pastors will provide practical help, care and a listening ear to people enjoying the evening economy in Barnsley, Doncaster, Rotherham and Sheffield. Keeping individuals we come into contact with safe, providing them with water, flip flops, ponchos and first aid, if required. We will signpost individuals to other agencies as appropriate
South Yorkshire Neighbourhood Watch	Operation Impregnable.	7,272.00	To drive down and eliminate vehicle and shed crime which is prevalent in certain areas .To promote better feeling of confidence by the delivery and strengthening of security in these particular areas suffering by these two types of crime. To bring distress levels to a minimum within these Communities by
SAFE@LAST	Young runaways one to one support	22,813.00	To provide ongoing one to one support to children and young people in Doncaster and Sheffield to reduce repeat running away from home/care and exposure to the risks associated with running away.
National Emergency Services Museum	NESM on Tour!	3,400.00	Develop a mobile interactive exhibition capable of delivering educational messages to schools, groups and community that would not visit educational facilities due to costs, culture or opportunities. We focus on hands-on-learning to deliver personal safety messages as well as teaching the history and development of the Emergency Services.
St Wilfrid's Centre	St Wilfrid's Residential	1,000.00	St Wilfrid's is building a new 20 bed residential project for people aged 18+ who have mental health issues, cannot manage accommodation and who need intensive support to learn life and work skills at the existing Centre on the same site, for up to 2 years.
