Dear

Freedom of Information Request - Reference No: 1164

REQUEST

The total budget allocated to the force in each year **from 2007-2008 financial year up to and including 2016-2017 financial year** from the general central government grant (or, where relevant, alternative main funding source).

RESPONSE

I approached our Finance Manager, who explained as below:-

2007/08 - £240,876 – Police Authority net expenditure - unfortunately at this time it wasn't separated between Force and Authority therefore it will include more than just Force operational expenditure e.g Authority costs, capital financing costs.

2008/09 - £246,646 – Again this was the Police Authorities net expenditure (not separated).

2009/10 - £261,592 – Again this was the Police Authorities net expenditure (not separated).

2010/11 - £256,318 – This was still under the Police Authority but it was split between the Authority and the Force – Authority costs have been excluded.

2011/12 - £255,223 – As above still the Police Authority but just the Force element.

2012/13 - £251,000 – As above still the Police Authority but just the Force element.

The above information was gained from the Force website and external sources. However the data below is held by the OPCC.

From here on in the budget is set by the PCC and clearly splits the functions between the Force and the PCC. Some expenditure now sits within the PCC that would have been included in the figure for previous years e.g. Capital financing costs, Commissioning. The budget below is the amount delegated to the Chief Constable.

2013/14 – £249,584

2014/15 - £244,103

2015/16 – £237,829

2016/17 - £234,162
