

INDEPENDENT ADVISORY PANEL FOR MINORITY COMMUNITIES

TERMS OF REFERENCE

Process

To advise the Police and Crime Commissioner, South Yorkshire Police and relevant partners on working with and delivering accessible and responsive policing related services to minority communities.

Objectives

Members of the Independent Advisory Panel for Minority Communities (IAPMC) will

- Assist in assessing the impact on minority communities of implementing new and existing policies and services;
- Monitor and review performance on promoting equality in all areas of policing;
- Advise on ways to maintain and increase the trust and confidence of minority communities in policing;
- Advise on effective ways of engaging with minority communities;
- Network and proactively engage with the minority community in order to advise on current minority community and policing issues;
- Recommend options / solutions on any issues raised
- Advise on improving police and community relations.
- Act as a 'critical friend' to the Commissioner and provide support to ensure minority community issues are reflected in the PCC's police and crime plan.
